DEPTFORD or DEBTFORD

SIM -136 DEPFORD— California Private mid to late 18th century

Completely altered at the turn of the 20th century,
the only exterior indication that this house may be of an early
date is the brick end wall and flush, beaded weatherboarding.
The original floor plan consisted of two rooms on each floor.
The plastered walls and ceiling of the north room are original.

Form 10-300 (Dec. 1968)
